

Have you recently graduated or finished school, and considering a career in finance?

Our Finance Graduate Program offers some excellent opportunities:

Learning & Development: Extensive operational experience and on-the-job training.

ACCA Scheme: We will pay for your ACCA qualification.

Mentorship: Expert guidance from experienced finance professionals.

Real Projects: Work on real finance tasks and operations to build your skills.

Networking: Connect with peers and finance sector experts.

The ideal candidate:

- Recent university or school graduate in finance, accounting, or related fields.
- Ready to take on new challenges, be proactive, and work as part of a team.
- Analytical skills, with close attention to detail.
- Good communication and effective interpersonal skills.
- Ambitious, with a passion to succeed in finance.

How to Apply: Send your CV and a motivational letter to recruitment@mua.mu
