

# DYNAMIC LIFE INSURANCE FUND

31 December 2024

## INVESTMENT OBJECTIVE AND STRATEGY

The Fund seeks to achieve competitive long term returns and is targeted at investors with a high risk tolerance. Policyholders can expect the value of their portfolio to significantly move up and down over time. The Fund aims to provide policyholders with exposure to a diversified portfolio of asset classes with particular focus on local equities and foreign assets. The Fund may also have an exposure to fixed income instruments to provide some protection against volatility.
